City of Prague

Prague is the capital of the Czech Republic, situated along the banks of Vltava River. Charming city with a rich history – located in the very centre of Europe. With its dominant the Castle, housing the St. Vitus' Cathedral on the horizon, Prague is an important crossroad of trade and culture for many centuries. Prague UNESCO World Cultural and Natural Heritage Area covers more than 8 sq km, over 100 theatres, concert halls and galleries. During its thousand years history, Prague remains always a political, cultural, and business centre of the country. Town – also called a „Golden City“ or a „City of Hundred Spires“ – belongs to the group of architecturally unique European towns, highly attractive for visitors from the whole world. They find themselves enjoying a living museum of European architecture from old ages to the present times.

Social Programme

Prague and its surroundings have a lot to offer in terms of culture, history and natural beauties. Interesting tours and excursions will be available for delegates and accompanying persons of the WVC 2013. They will have opportunity to enjoy visits to Prague Old Town, Prague Castle or Jewish Quarter or see Karlstejn or Konopiste Castle, Kutna Hora, Cesky Krumlov and other interesting sights and places in the Czech Republic or around. Usual social events organized for the delegates are to include opening ceremony, welcome drink or gala dinner.

1st World Veterinary Golf Championship

A golf tournament will take place before and in parallel with the Congress. It will be held on September 14–19, 2013.
